Hey Sonja -- my secretary tells me that she faxed notice over today with the lab numbers on them, but if you don't find the notice, let me know and I will email it to you. (Sorry, I don't have the file in front of me right now.) The case is in Pittsfield. Thanks again!

Rachael

Hi Rachael -

I was just testified in Pittsfield today (Superior Court w/ ADA Locke)! Anyways, yes, I am available on 1/21/10 (though, depending on how long the JT goes, I've got a case in Springfield on the 22nd). Out of curiosity, is it in Pittsfield or N. Adams (or even Great Barrington?) Also, in case you don't fax me the notice, I'm going to need the lab number(s) for the case. Thanks.

- Sonja

Hi Sonja - how are you? Hope your holidays were nice. We have a case with [REDACTED] which just got marked up for JT on December 31st. He is held on bail, so that is why it got such a quick jury trial date - and why you got such short notice. Are you available on 1/21? Thanks!
